Subject: “2014 Philippe de Woot Award” – Intra-university award for the best Master Thesis on Corporate Social Responsibility

Dear Professors,
Dear Students,

We are pleased to inform you a call for candidature for the intra-university “Philippe de Woot Award” which was set up to promote Sustainability and Corporate Social Responsibility and by awarding, every two years, one or several Master thesis(es) which constitute(s) an original contribution to the understanding and thinking about CSR.

The “Philippe de Woot Award” is for any student graduated from a University or Business School at Master level and whose Master thesis is about corporate social responsibility or the contribution of companies/organizations to sustainable development. Candidates must have completed their thesis during their academic year in 2011-2012 or in 2012-2013.

The award-winner will receive a prize of € 3,000. €1,500 will be directly given to the student and the remaining €1,500 will be offered to an environmental or a social project to be chosen by the student.

To ensure the recognition of this Prize and a large diffusion of CSR, the awarding ceremony will take place at the time of a conference animated by reputed speakers from different backgrounds on the theme of CSR. In addition, communication in the media and international networks will be ensured.

The deadline to address candidatures is set for October 1st, 2013. Please visit the following website for a detailed presentation of the award and the procedure for applying: http://www.solvay.edu/philippe-de-woot-award
